

I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairytale,
You can take the future even if you fail

*I believe in angels something good in everything I see
I believe in angels when I know the time is right for me
I'll cross the stream, I have a dream*

I have a dream a fantasy,
To help me through reality
And my destination makes it worth the while
Pushing through the darkness, still another mile

*I believe in angels something good in everything I see
I believe in angels when I know the time is right for me
I'll cross the stream, I have a dream
I'll cross the stream, I have a dream*
