

Whistle down the wind

Whistle down the wind,
Let your voices carry.
Drown out all the rain
Light a patch of darkness
Traacherous and scary.

Howl at the stars
Whisper when you're sleeping.
I'll be there you hold you,
I'll be there to stop,
The chills and all the weeping.

Make it clear and strong
So the whole night long
Every signal that you send
Until the very end
I will not abandon you my precious friend.

So try and stem the tide,
Then you'll raise a banner.
Send a flare up in the sky
Try to burn a torch
And try to build a bonfire.

Every signal that you send
Until the very end
I'm there.

So whistle down the wind
For I have always been
Right there

Repeat from 'Make it clear and strong'
