

Close every door

Close every door to me, hide all the world from me,
Bar all the windows and shut out the light.
Do what you want with me, hate me and laugh at me,
Darken my daytime and torture my night.

*If my life were important
I would ask "will I live or die?"
But I know the answers lie far from this world.*

Close every door to me, keep those I love from me,
Children of Israel are never alone.

*For I know I shall find my own peace of mind
For I have been promised a land of my own.*

Ah..., ah.....

Ah..., ah.....

Ah..., ah.....

Just give me a number instead of my name
Forget all about me and let me decay.
I do not matter, I'm only one person
Destroy me completely then throw me away.

*If my life were important
I would ask "will I live or die?"
But I know the answers lie far from this world.*

Close every door to me keep those I love from me
Children of Israel are never alone.
For we know we shall find our own peace of mind
For we have been promised a land of our own.
