

## Another rock and roll Christmas

1. Light the lights, ring the chimes, come on in, it's party time  
Raise a glass for Auld Lang Syne, come on, rock it up for all mankind  
Good to see friends I know, kissing under the mistletoe  
I'd love to hear the children sing, it looks like Santa's gonna bring:

*Another rock 'n' roll Christmas*  
*Another Christmas rock 'n' roll.*  
*Presents hanging from the trees,*  
*You'll never guess what you've got from me!*  
*Another rock 'n' roll Christmas*  
*Another Christmas rock 'n' roll*  
*We better hold each other tight*  
*You never know it might snow tonight*

2. Guys and gals, stay up late, so excited they can't wait.  
Let there be peace on Earth; come on, rock 'n' roll for all your worth  
We're gonna laugh, we're gonna sing, we're gonna make the rafters ring  
I'll pull my cracker, let me be the silver star upon your tree

*Another rock 'n' roll Christmas*  
*Another Christmas rock 'n' roll.*  
*All dressed up so here we go*  
*Do I hear the sleigh bells in the snow?*  
*Another rock 'n' roll Christmas*  
*Another Christmas rock 'n' roll.*  
*Tonight old Santa never stops*  
*He rocks above the chimney tops.*

3. Come on in, join the fun, it's Christmas time for everyone  
May your days be merry and bright, this ain't gonna be no silent night.  
See the stars a-glittering, soon they're gonna see the New Year in.  
No one's looking, kiss me quick, come on and rock and roll for old Saint Nick.

*Another rock 'n' roll Christmas*  
*Another Christmas rock 'n' roll.*  
*Presents hanging from the trees,....*
