

Because it's Christmas

Tonight the stars shine for the children,
And light the way for dreams to fly.
Tonight our love comes wrapped in ribbons.
The world is right and hopes are high.
And from a dark and frosted window
A child appears to search the sky
Because it's Christmas, because it's Christmas.

Tonight belongs to all the children.
Tonight their joy rings through the air.
And so we send our tender blessings
To all the children everywhere,
To see the smiles and hear the laughter;
A time to give, a time to share
Because it's Christmas for now and forever
For all of the children,
And for the children in us all.

Tonight belongs to all the children.
Tonight their joy rings through the air.
And so we send our tender blessings
To all the children everywhere.
To see the smiles and hear the laughter;
A time to give, a time to share,
Because it's Christmas for now and forever,
For all of the children, and for the children in us all
