

My Christmas wish

My Christmas wish is sent to you,
To last throughout the year;
May your heart be filled with love,
Your home be filled with cheer;

*Though winter winds blow all around,
Though heavy snows conceal the ground,
You need not fear,
For God is near,
To care for you.*

Children play on Christ-mas day,
They know what faith can do;
They hope of course that San-ta Claus
Will make their dreams come true;

*I only pray you'll be my friend,
That ev'ry year you let me send,
With all my heart,
My Christ-mas wish to you.*
